Guest Name	Water Sport Certificate

If you do not have the required certificates, please discuss this with your broker as we can usually arrange for an instructor to come onboard the yacht during the charter. Please note that any tuition will be charged extra and availability of local instructors cannot be guaranteed. Certain areas prohibit the use of motorised water toys altogether.

Would you be interested in finding out more about the instructors? Yes No

Well-Being

There are a number of professionals that we can recommend who are specialised in the following fields. These persons would join you on board the charter but would not be counted as crew, however, and would need to be accommodated in the guest areas. We would be happy to provide you with a quotation and full details if you are interested. Please note that it can be difficult to secure these services at short notice, but we will certainly do our best.
